

And here it is!

LITTLE GIANT HOIST

For Model AA Ford Truck

*Fits any body for New Model AA Ford.
Capacity two tons. Chain breaking
strength 12,000 pounds.*

A new two ton Little Giant Hoist is now ready for delivery. It is built on the same principle as the one ton model which is more extensively used than all other hoists combined. Little Giant fits any body for any truck job. It dumps easily and clean in just a few turns of the crank. Get the details now. Have the facts ready. In a few months — when you are caught up with orders time and effort will be needed to sell trucks. Little Giant always cuts this expense and at the same time increases truck sales.
