Millions of
FORD owners
need this
New \$2⁵⁰ Auto Clock

You know how many Ford owners there are in your locality. Practically every one needs this new Westclox Auto Clock. There's a good profit for you in every sale. A permanent metal display stand is furnished free; it will sell Auto Clocks from your counter or window.

This new Auto Clock exactly meets every requirement—good looks, reliable time-keeping, quickly attached, low price. It's made by the makers of Big Ben and

Baby Ben; carries the same guarantee as all Westclox.

National Westclox advertising with a total monthly circulation of twenty-five million, features the new Auto Clock—tells how it fits any car; easy to wind, easy to read. The metal display stand showing actual clocks is a fine tie-up to the national advertising.

Get your share of the new Auto Clock business. It will pay you an extra good profit. Phone or write your jobber.
