

A Complete Spray-Painting Outfit

**BINKS
OUTFIT
No. 9**

Work with the same accessories as employed on large production. Assembled in a small complete unit for use by refinishing shops. Just the thing for repainting trade-ins. The Binks method is simple. Any good workman can quickly learn to handle this easy operating outfit.

Small Investment—Pays for Itself

Your net profit should pay for Binks Outfit No. 9 within a few days. Many thousands are in successful use today. Write for details and prices.
