

\$500 DOWN

Starts You Charging Batteries \$5000 A Year Easy!

Used by U.S. Government

Let me show you how to make big money right from the start. I've prepared a FREE book explaining all details. First week's profit pays for all equipment. You can get all the battery charging business in your community with my Service Station Charger.

YEARS AHEAD OF ORDINARY CHARGERS

Saves you 40% to 60% on electric current—handles 50% to 70% more batteries. I explain everything—start you in a business of your own and put you on the way to big money.
