

# KEYSTONE SELF - LOCKING RADIATOR CAPS

## 3 New Caps

*That Will Increase Your Profit  
on the New Ford*

The Junior—the De Luxe Junior—and the Eaglet—here are three new Keystone Caps that have been designed to harmonize beautifully with the body lines of the Model A Ford. Added attractiveness—positive protection—ease in radiator filling—these are the advantages these new caps offer. And a new deal makes it possible for you to earn 94% profit each time you sell a car.
